Students will learn to use a sewing machine, understand pattern and sewing basics, while making a pair of pajama pants. The cost for camp is \$30.00 plus supplies. Must have a sewing machine.

Classes:

At least three people are needed to have a class. Classes must be paid for when signing up. Supply lists will be given after the class is paid for. You will need your own sewing machine, cutting mat, ruler, rotary cutter, scissors, and pins. If you paid for a class and then the class is cancelled, you will be refunded. If you cannot make the class you signed up for, you must notify the shop a week or more prior to the class, to get a refund. There will be 15% off all supplies purchased (at Tiny Stitches) for the class when you purchase the fabric at Tiny Stitches.
